Dear Phil and Rosemary:

Thank you very much for becoming a member of the Committee to Restore Carbondale City Hall.

During the current membership drive, the Committee hopes to be able to raise the funds necessary in order to have the roof on the south side of the two-story wing (erected in 1859) and on the clock tower (erected in 1892-1894) of Carbondale City Hall repaired before the arrival of Winter 1982. If sufficient funds are raised, the Committee will have the exterior masonry of Carbondale City Hall cleaned, repaired and repointed this year.

The Committee meets biweekly in Council Chambers on the second floor of Carbondale City Hall. The next meeting of the Committee will be on October 21, 1982 at 7:30 P.M. You are cordially invited to attend.

Again, thank you for joining us. Together we will preserve and protect Carbondale's irreplacable architectural and cultural heritage.

Sincerely yours,

S. Robert Powell
President
